Help

1 Home > Domain Names > > Transfer Domain Names to {EasyHost} > Pre Confirmation

2 Transfer Domain Name(s) Pre-Confirmation

3  **Please Authorize...**

Your are about to Transfer {Quest.com} to {EasyHost}.

In order to complete the transfer you must be able to access the administrative contact email address {the email address}. After you receive this email you must click on the website address included in the email and then type in the username and password which was included in the email as well. Please also keep in mind the following important points regarding Domain Name Transfer:

- All years you've already purchased will be honored in full by EasyHost.
- All transfers to EasyHost include an additional year added to the time remaining on your existing term.
- Risk free — You are only charged when the transfer is successful.
- Add more years to your term for just {\$6.95} per domain - only available at the time of a transfer to EasyHost.
- You must be sure that the domain name is not locked (?)
- Domain does not have private registration (?)
- All domains with the following extensions require a authorization code to be transferred: .biz, .org, .us, and .name.

4 Transaction Details

Date	Item	Recurring Charge	Setup Fee	Tax	Total
8/23/2006	Purchase Domain Name Quest.con	\$0.00	\$5.95	\$0.00	\$5.95
Total					\$5.95

5 **Note:** By clicking "Transfer Now," you authorize {EasyHost} to charge the above amount to your existing account. If you are buying this item in the middle of a billing cycle then you will be prorated.
