### Item(s) Pending...

Pardon our delay, but the following item(s) have not yet been activated:

\* Plan change to {Gold Plus} for your {Platinum Plus Plan}

We will do our best to have this setup within the next 48 hours. We appreciate your patience.

6 Below you may view your plan details and change your plan.

3 Plan Name	Plan Type	Date Created	Actions
Platinum Plus Plan	Hosting	08/22/2006	Pending Change...
Gold Plus Plan	Hosting	08/22/2006	4 <a href="#">Plan Details</a>   <a href="#">Change Plan</a> 5
Gold Plus Plan	Hosting	08/22/2006	<a href="#">Plan Details</a>   <a href="#">Change Plan</a>

## Notes

**Important:** Please take out this page <http://scng-build.dev/CPanel/composite/com/hostway/plugins/commons/plan/planlandingpage> as we are removing this extra step. When people click on the My Services page they should go directly to the My Services page with the search results table. We'll put in the search filter later. For now default to show all plans.

1) Bread crumb

2) H1 <h1>My Services</h1>

3) Table

```
<div class="table-container">
<table class="search-results"
id="domains_list" SUMMARY="This table shows
what plans you have, their plan type and the
date they were created. ">...</table> See Doc
Model for correct table classes. http://
linigma.dev.chicago.hostway.net/~michael/
scong/doc-model/
```

Sortable columns:  
Plan Name (defaulted by alphabetical)  
Plan Type  
Date Created

4) Links to Plan Details page

5) Links to Change Plan page

6) <p>Below you may view your plan details and change your plan.</p>

	Whois Protector		

## Notes

- 1) Nothing to change here. Only need to add the Change Plan Link
- 2) Links to Change Plan Page
- 3) I will supply you with all the Details column text and possibilities shortly.
- 4) All items should have a manage link next to them that should take them to that section.
